

CERTIFICATE

The company
Tytext Group
Industrivej 21
7430 Ikast, DENMARK

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report **1319876-131-15**

Tested for harmful substances
according to Oeko-Tex® Standard 100

876-13101

DTI Denmark

for the following articles:

Fixation Devices: Pants, bodystockings, bras, bandages and compression garments including Corsinel, made of knitted polyester, polyamide, cotton and elastane in various compositions. All models in white, a few models also in black, pink or beige.

Hip protectors: Safehip®AirX and Classic, made of knitted cotton, polyamide, polyester and elastane, in various compositions, in white, with protection shields of spacer fabrics or compact foam.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.03.2016

Taastrup, 10.04.2015
